ENTHUSIASTIC FANS SEE BASEBALL SEASON OPEN

the opening of the baseball league sea- with equally disastrous results. women. And it must not be supposed that they were all of the variety that doesn't know the difference between a base-hit and a back-stop. Oh, no! Your Honolulu baseball girl is a true fan and talks errors and sacrifices as wholly lost in her. One young lady who was making grave comments in conventional baseball "lingo" stopped long enough to pass comment on the carefully tied bow at the neck of a player's jersey. "His mother must have tled it for him," she remarked.

the games of yesterday were not as five exhibitions of baseball as have been seen there were plenty of exciting crises in them. The fans who have once more and made the rafters ring with their shouts. Once or twice pretty hits brought the audience to its feet. The crowd was, on the whole, with the under dogs. Though the good plays of all the teams were cheer-

ed he greatest enthusiasm was aroused when the teams that had no chance were making scores. Especially when the Kams brought in three runs in two innings after the H. A. C.s had piled up eight, was the applause and cheering deafening.

THE OPENING GAMES.

Punahou and the Elks met for the first time. Before the game the odds a sacrifice but Ahrens and Williams were in favor of the Elks and they fanned and another tally died on third. won comfortably. But there was no have been changed. The Punahou up a game that surprised many, even spots in the team and experience will in one, two, three order. The score is help some of the men but there is no as follows: reason why Punahou should not be among the leaders this year. Both teams made the same number of hits and Punahou made four more bases than their opponents, in spite of this they lacked the ability of getting the men in, several times leaving a man on third. Judd of the Punahou team leads the batting average now with

three hits to his credit. The second game was more onesided. The H. A. C.s started out with a rush and carried the Kams off their feet. After the first score the blue and white players got rattled and recovered themselves too late to win the game. After the first inning it was a long stern chase but the H. A. C.s were in too good trim to be caught and added materially to their score through the game. The Kams had a rally in the sixth and seventh and held their own through the remainder of the struggle but they were doomed after the first deadly rout. There is one criticism of this team that may be made. That is that they are brilliant players but lack team work. Yesterday at least one chance to put out a man was lost by players running into each other and almost every descending fly was surrounded by a bevy of Elks. 0 0 1 0 0 1 2 0 1-5 eager players, all anxious to get hold P. A. C...... 0 0 0 0 1 0 1 0 0 -2 of it. Such interference is likely to bring disastrous results some time. The H. A. C.s have a good team that works well together. The Kams have excellent material and should show up

ELKS VS. PUNAHOU.

The first game was called a few minutes before two o'clock. Punahou won the toss and the Elks took first innings. Cusack stepped into the box to open the season of 1965. In honor of the eccasion Desha presented him with four balls and his first base. He stole second but that was as far as he got. Hampton flew out to third and Cogswell and Wilder to left field.
